Case: 17 BK 3283-LTS

Case: 17 BK 3566-LTS

Claim: 80591

Asserted Claim Amount: \$200,000.00

Reason for opposing the Omnibus Objection:

I work for the Corporation of the Insurance Fund of the State of Puerto Rico, a Commonwealth of Puerto Rico Agency, since December 1987 to present. I have continued to contribute for the retirement system of the government of the Commonwealth of Puerto Rico since September 1st, 1988. (Estimated account statement of accredited years and total contributions attached).

For this reason, my objection to Omnibus Objection lies in the illegality of using the money corresponding to my contributions to the government's retirement system of the Commonwealth of Puerto Rico for any purpose other than to award myself the corresponding pension according to my years of service.

In conclusion, I do not authorize the use of the money I have contributed with sacrifice for so many years for any use other than the one mentioned above. In addition, I request to be informed about any decision taken regarding my claim.

Sincerely,

Maritza Ferrer Rodriguez
